

Ginger

Leggerissima e confortevole, sfrutta le sottili sezioni degli elementi in legno in un gioco di alta ebanisteria artigianale. La purezza del design strutturale è esaltato dalle sedute tessute ed imbottite intercambiabili. Ginger è una seduta eclettica: permette lo stoccaggio per sovrapposizione, recuperando preziosi spazi nelle aree del living o del contract, dagli ambienti classici alle situazioni contemporanee. Ginger è disponibile in versione sedia e sgabello, in faggio o frassino, in varie finiture e colori.

Light and comfortable, this chair takes advantage of the thin cross-sections of its wooden elements in a game of high artisan craftsmanship. The purity of its structural design is emphasised by the seats in fabric and interchangeable upholstery. The Ginger is an eclectic seat: it allows storage by stacking, saving precious space in living or contract areas, from classic environments to contemporary situations. The Ginger is available in chair and barstool version, in beech or ash wood, in various finishes and colours.
