

Gliss

Sinuuous shell

DESIGN

Claudio Dondoli - Marco Poggi, 2002

EN — Gliss is an armchair with a cozy and ergonomic shape which takes its inspiration from iconic chairs of the fifties. Featured by the distinctive element of the hole in the shell, the collection stand out for comfort and functionality, thanks to its sinuous armrests that allow a handy grip, as well embrace the body. Made of multiple materials and finishes, Gliss perfectly fits both contract and living spaces.

IT — Gliss è una poltroncina dalla forma avvolgente ed ergonomica, che si ispira alle sedute iconiche degli anni Cinquanta. Caratterizzata dall'elemento distintivo del foro sulla scocca, la collezione emerge per funzionalità e comfort, grazie alla forma sinuosa dei braccioli che permettono la presa, oltre che cingere in un abbraccio. Realizzata in molteplici materiali e finiture, Gliss è particolarmente adatta sia ad ambienti contract, sia living.
